

g Case 2007-00134,

o not believe that Kentucky American Water's proposed
om Pool 3 on the Kentucky River to Newtown Pike in Fayette
the least cost solution to the water needs of Central Kentucky.
re, I do not believe that a private for-profit company should
ancially from the destruction of my property or my neighbor's

e citizens of Central Kentucky deserve a long-term solution to
needs. Utilization of a larger water body, such as the Ohio
ed along existing utility corridors makes the most sense
lly, environmentally, and aesthetically.
